

Dear members of TRA Modelling,

we are pleased to announce for the first time an overarching call for the six TRAs, called **Transdisciplinary Research Prize "TRA²"**. Expected are joint applications from at least two project leaders from at least two different TRAs, working in different research areas. Only university members of the TRAs are eligible to apply.

Funding: Each successful proposal will be funded with **up to 50.000€**.

Application deadline: 07.04.2024

You are welcome to use the below listed members directories of the six TRAs to find a suitable partner for your research idea.
