

## Your Skills and Training Opportunities in the Summer Term 2025\*

The [Doctorate plus skills and training program](#) in three career tracks allows you to broaden your academic and transferable competencies and prepare for your envisaged career path:

- **Research Track:** Workshops in this track prepare for an academic career at a university or a research institution.
- **Research Management Track:** The training offered in this track qualifies for a career at the interface of science and administration.
- **Business and Organizations Track:** The skills

Eileen Bradley is happy to answer your questions on Doctorate plus and coaching: [bgz@verwaltung.uni-bonn.de](mailto:bgz@verwaltung.uni-bonn.de)

and competencies you can acquire in this track equip you for a career beyond academia, e.g. in industry, NGOs or your own start-up.
