

Your Skills and Training Opportunities in the Winter Term 2026/2027

The Doctorate plus skills and training program in three career tracks allows you to broaden your academic and transferable competencies and prepare for your envisaged career path:

- **Research Track:** Workshops in this track prepare for an academic career at a university or a research institution.
- **Research Management Track:** The training offered in this track qualifies for a career at the interface of science and administration.

Eileen Bradley is happy to answer your questions on Doctorate plus and coaching: bgz@verwaltung.uni-bonn.de

- **Business and Organizations Track:** The skills and competencies you can acquire in this track equip you for a career beyond academia, e.g. in industry, NGOs or your own start-up.
