

Quiet Room for Students with Disabilities or Chronic Illnesses

(AVZ I, Endenicher Allee 11–13, 2nd Floor, Room 2.004)

In addition to a central **study and examination room** (with two computer workstations, one equipped for visually impaired students), the Disability Representative can also provide students with disabilities or chronic illnesses in all faculties access to a

- **Quiet room** with a resting couch **and**
- A **study workplace** (with manual height-adjustable desk)

They were provided by the University of Bonn as a further contribution to ensuring that students with health impairments have an equal opportunity to participate.
