Enthusiastic support in times of change, every student needs it at times. Whether problems of everyday life, stress, loneliness or disturbance of mental health: Where do you turn to when you feel badly off? There is contact for everybody. At the beginning of university life and further along, students may face challenges that can be both rewarding and troubling. If you would like to talk about this or any other issue troubling you, please do not hesitate to seek professional support. The institutions listed in this flyer will provide confidential advice. Please note that our list is a selection of counseling opportunities available in Bonn. Appointments must usually be made in advance. You will find additional information on the respective websites.
