Soft Skills For Your Career: Self-Assessment

Assessing your own life and career goals, strengths and weaknesses, should be an integral step before any career start. Learn how to get to know yourself better and how to analyze what kind of skills employers seek! The first session will be dedicated to theory, the second session to doing exercises. We highly recommend to participate in both parts!

The event will be held on the 19th of October and the 20th of October 2021 at 4 pm via Zoom
