

Student special

Join Kruger Conservation for a unique 2-week volunteer adventure in the Greater Kruger Region, South Africa. You'll live surrounded by nature, help protect endangered wildlife, and support community projects that make a real difference.

Whether you're studying biology, conservation, education, or just looking to spend your holidays meaningfully: this is your chance to **take action**.

Volunteer with Kruger Conservation Limpopo, South Africa | 9–23 March 2026

- Vet work & real Bushlife
- Wildlife tracking & monitoring (Big 5)
- Anti-poaching & community projects
- Guided safaris & cultural activities
