

Notes on Your Registration for Internal Seminars offered by the Occupational Safety

Registration

Registrations are only possible with the online registration form and are to be sent to the email address <mailto:arbeitsschutz@uni-bonn.de>. We reserve the right not to consider registrations received by post or fax. After processing your application, you and your supervisor will receive an e-mail with information about your registration status. Please note that the number of participants is limited for didactic reasons and due to limited space.

Conditions of participation

The seminars are only open to

- ✦ Employees of the University of Bonn who have a valid employment contract at the time of the seminar
- ✦ Students enrolled at the University of Bonn
- ✦ PhD-students whose thesis is supervised by a professor of the University of Bonn

Employees of the University of Cologne and the Rhine-Sieg University of Applied Sciences are also admitted to courses marked accordingly.

Participation in the seminar

If you have received a confirmation, this is – even if not explicitly mentioned – conditional. The seminar may be cancelled due to low registration numbers, illness, or another significant reason. In this case you are not entitled to the provision of the same seminar at a later date.

Attendance

Attendance is compulsory. If you cannot attend the entire seminar, please inform your contact person for the seminar. If you are present for less than 90% of the time, you will not receive a certificate of attendance.

Cancellation

It is possible to withdraw from the seminar if there is an important reason for doing so. If the cancellation is made less than 21 days before the start of the event without sufficient grounds, we reserve the right to inform your supervisor and, if necessary, to take further steps.

Costs

The costs for internal seminars are assumed by the Human Resources Development & Career department.

Catering

No catering is provided at events.

Data security

By registering, you agree that your data will be electronically stored and processed for the purposes of your registration.
