The Medical Faculty of the Rheinische Friedrich-Wilhelms-University of Bonn invites applications for the position

W2 Tenure Track Professor for Neuroinflammation

at the Department of Neurodegenerative Disease and Geriatric Psychiatry/Neurology of the University Hospital Bonn.

We seek an internationally renowned scientist with a strong track record in the field of neuroinflammation and neuroimmunology. The field of study may comprise the entire interaction between the nervous system and the immune system.

This position is being implemented through the cluster of excellence Immunosenstion2 and should establish a close link between the already existing research centers of neuroscience and immunology at the Medical Faculty of the University of Bonn. The successful candidate is thought to strengthen the already existing expertise in neuroinflammation and may have a special focus on neurodegenerative disease in order to support and shape the future research directions of the department. Translational research strategies, iPSC-directed research approaches, proteomics or expertise in multi-photon in vivo laser microscopy are of major interest. Collaborations within the cluster of excellence Immunosensation 2 as well as with further intra- and extramural research institutions are expected in order to support existing and foster new research applications.

The position will be involved in several teaching activities including the master degree programs “Immunosciences and Infection”, „Molecular Medicine“ und „Molecular Neurosciences“. Lectures in German and English are being expected.

Prerequisites for admission are the German degree Habilitation or comparable scientific achievements in accordance with § 36 Higher Education Act NRW (Hochschulgesetz NRW).

The University of Bonn is committed to diversity and equal opportunity. The university of Bonn is certified as a family-friendly university and has a dual career program. It aims to increase the proportion of women in areas where women are under-represented and to promote their careers in particular. It therefore urges women with relevant qualifications to apply. Applications will be handled in accordance with the State Equality Act (Landesgleichstellungsgesetz). Applications from suitable individuals with a certified serious disability and those of equal status are particularly welcome.

Qualified applicants are asked to submit the application documents in accordance with our application guidelines in English to be sent exclusively by email up to June 11, 2021 to:

Dean of the Medical Faculty
of the Rheinische Friedrich-Wilhelms University of Bonn,
Univ.-Prof. Dr. med. Bernd Weber
Venusberg-Campus 1, Haus 33, 53127 Bonn

Please apply via e-mail to: Berufungen@ukbonn.de
