

At the Faculty of Medicine at the University of Bonn, a

W2 Professorship for Cardiac Electrophysiology

is to be filled **at the earliest opportunity** at the Cardiac Center of University Hospital Bonn.

We are looking for a recognized person in the field of clinical and scientific electrophysiology. Expertise both in fundamental scientific and in clinical electrophysiological research and comprehensive experience in the interventional ablative and device-based treatment of cardiac arrhythmia are required. The position is based at the Cardiac Center of University Hospital Bonn in Medical Clinic and Polyclinic II – Cardiology, Pulmonology, Angiology, Internal Intensive Care Medicine and is linked to a senior physician (“Oberarzt”) position.

He/she is to strengthen and further develop existing profile areas, areas of focus, and research networks, particularly within the cardiovascular specialization of the Faculty of Medicine. Excellent scientific performance is expected.

The successful candidate must have completed a university degree in medicine and specialist medical training in internal medicine and cardiology, and have a habilitation or evidence of equivalent academic achievements, and experience of teaching in accordance with section 36 of the Higher Education Act of North Rhine-Westphalia (Hochschulgesetz NRW).

The University of Bonn is committed to diversity and equal opportunities. It is certified as a family-friendly university and has a dual career service. Its aim is to increase the proportion of women in areas where women are underrepresented and particularly support their careers. The university supports recruitment through the STEP program and thus encourages women with corresponding qualifications to apply. Applications are handled in accordance with the State Equality Law of North Rhine-Westphalia (Landesgleichstellungsgesetz). Applications from suitable candidates with a verified severe disability and persons with an equivalent status are also particularly welcome.

Qualified candidates are asked to apply via the Appointment Portal of the University of Bonn (<https://berufungsportal.uni-bonn.de/openProcedureList.do>). The application can be submitted in German or English by **12th November 2024**.

Dean's Office in the Faculty of Medicine
University of Bonn, Venusberg-Campus 1,
Haus 33, 53127 Bonn
