

At the Faculty of Medicine of Rheinische Friedrich-Wilhelms-Universität Bonn, the Clinic for Internal Medicine III (Oncology, Hematology and Rheumatology, Medical Director Professor Dr.med. P. Brossart), a

## **W2 professorship for translational oncology**

is to be filled at the earliest possible date.

We are looking for a scientist with an international reputation in the field of innovative molecular and cellular analyses of hematological and oncological diseases. This should be evidenced by excellent internationally visible publications as well as acquisition of third-party funding. With appropriate qualifications, a senior physician (“Oberarzt”) position is possible.

Participation in the medical school's research collaborations, the Cluster of Excellence Immunosensation<sup>2</sup>, the Comprehensive Cancer Center (CIO ABCD), and collaborative research centers is expected.

The University of Bonn offers an excellent scientific environment with a large number of central facilities that the professor can draw on.

Prerequisites for employment are a completed university degree in medicine or natural sciences as well as habilitation or proof of equivalent scientific achievements, in addition to experience in teaching pursuant to Section 36 of the Higher Education Act of North Rhine-Westphalia (Hochschulgesetz NRW).

The University of Bonn is committed to diversity and equal opportunity. It is a certified family-friendly university and has a dual career service. It aims to increase the proportion of women in areas where women are under-represented and to promote their careers in particular. It therefore urges women with relevant qualifications to apply. Applications will be handled in accordance with the State Equality Act of North Rhine-Westphalia (Landesgleichstellungsgesetz - LGG). Applications by suitable individuals with a certified severe disability and those of equal status are particularly welcome.

Qualified applicants are requested to apply via the appointment portal of the University of Bonn (<https://berufungsportal.uni-bonn.de/openProcedureList.do>). Applications can be submitted in German or English by 30.10.2023.

Dean of the Faculty of Medicine  
of Rheinische Friedrich-Wilhelms-Universität Bonn  
Venusberg-Campus 1, Haus 33, 53127 Bonn, Germany
