

At the Faculty of Medicine of Rheinische Friedrich-Wilhelms-Universität Bonn, a

### **W3 professorship for dental preservation and periodontology**

is to be filled at the earliest possible date.

The future holder of the position is expected to represent the full range of dental conservation and periodontology in research, teaching, and patient care. The professorship includes directorship of the clinic of the same name in the Center for Dental, Oral and Maxillofacial Medicine.

Excellent scientific achievements and experience in the acquisition of extramural third-party funds, as well as proven didactic skills, are required. The scientific orientation should have ties to the focal areas of the center, ideally to existing networks of the Faculty of Medicine and the university as a whole.

The professor will be responsible for teaching in the field of dental conservation and periodontology for the curriculum of dentistry. Furthermore, participation in current and future degree courses of the Faculty of Medicine is expected. The future holder of the position is expected to have a specialization according to the criteria of the scientific societies.

Requirements for employment are a completed university degree in dentistry, doctorate, as well as habilitation or proof of equivalent scientific achievements. Experience in teaching according to § 36 Hochschulgesetz NRW is desirable.

The University of Bonn is committed to diversity and equal opportunity. It is a certified family-friendly university and has a dual career service. It aims to increase the proportion of women in areas where women are under-represented and to promote their careers in particular. It therefore urges women with relevant qualifications to apply. Applications will be handled in accordance with the State Equality Act of North Rhine-Westphalia (Landesgleichstellungsgesetz - LGG). Applications by suitable individuals with a certified severe disability and those of equal status are particularly welcome.

Qualified applicants are requested to apply via the appointment portal of the University of Bonn (<https://berufungsportal.uni-bonn.de/openProcedureList.do>). Applications can be submitted in German or English by 06.11.2023.
