The Medical Faculty of University of Bonn (University of Excellence) invites applications for the position

**W3 Professor for "Neuropediatrics" (successor Prof. Kirschner)**

which is to be filled on a permanent basis.

The candidate is expected to represent the specialty of Neuropediatrics in research, teaching, and patient care. The professorship includes directorship of the independent Department of Neuropediatrics in the Center for Pediatric Medicine. The head of department is also the head of the SPC (sociopediatric center). Furthermore, there is a very active pediatric neurosurgery unit whose neuropediatric care must be assured by the post holder.

Very good scientific achievements and experience in the acquisition of third-party funding, as well as proven didactic skills, are required. The scientific orientation should have links to the core areas of the faculty, ideally to existing alliances of the Medical Faculty and the university as a whole. The neurosciences represent a designated focus of the Medical Faculty here.

The professor will be responsible for neuropediatrics teaching in the curriculum of the human medicine program. Participation in current and future teaching programs at the Medical Faculty is furthermore expected. Prerequisite for employment is the qualification as a specialist physician ("Facharzt mit Schwerpunkt Neuropädiatrie") as well as the German degree Habilitation or comparable scientific achievements according to § 36 Hochschulgesetz NRW.

The University of Bonn is committed to diversity and equal opportunity. It is a certified family-friendly university and has a dual career service. It aims to increase the proportion of women in areas where women are under-represented and to promote their careers in particular. It therefore urges women with relevant qualifications to apply. Applications will be handled in accordance with the State Equality Act (Landesgleichstellungsgesetz). Applications from suitable individuals with a certified serious disability and those of equal status are particularly welcome.

Qualified applicants are requested to send the application documents in accordance with our application guidelines as well as a maximum of five offprints (https://www.medfak.uni-bonn.de/de/fakultaet/akademische-verfahren/berufungsverfahren) in German or English by May 13, 2022 exclusively by e-mail to:
