At the Faculty of Medicine of Rheinische Friedrich-Wilhelms-Universität Bonn, Medical Clinic and Polyclinic I (Director: Univ.-Prof. Dr. C. P. Strassburg), a

**W2 Professorship in Internal Medicine, Endocrinology and Diabetology**

is to be filled as soon as possible on a permanent basis.

The professorship with duties in research, teaching and patient is located at the Medical Clinic I (Director: Prof. Dr. Strassburg). Associated with the professorship is the leadership of the Section of Endocrinology, Diabetology and Metabolism.

Proven expertise in both experimental and clinical endocrinology/diabetology is required, as demonstrated by international publications and successful acquisition of external funding. The successful candidate is expected to contribute to the sustainable further development of existing collaborative projects and structures (Cluster of Excellence ImmunoSensation², SFB TRR333 BATenergy, Obesity and Metabolism Research Center Bonn) and in particular to further develop the link between clinical research and basic sciences in the sense of translational research.

Proven experience in clinical endocrinology and diabetology, particularly obesity medicine with a distinct clinical focus is expected. A proven clinical collaboration with clinical neighboring disciplines such as surgery, neurosurgery, nuclear medicine, and laboratory medicine is required. Extensive experience in university teaching and in the training of early career researchers and clinicians is also expected.

Requirements for employment are a completed medical degree, as well as habilitation or proof of equivalent scientific achievements and experience in teaching according to § 36 Hochschulgesetz NRW, along with recognition as a specialist (‘Facharzt*ärztin’) in internal medicine with a focus on endocrinology and diabetology, or as a specialist (‘Facharzt*ärztin’) in internal medicine - endocrinology and diabetology.

The University of Bonn is committed to diversity and equal opportunity. It is a certified family-friendly university and has a dual career service. It aims to increase the proportion of women in areas where women are under-represented and to promote their careers in particular. It therefore urges women with relevant qualifications to apply. Applications will be handled in accordance with the State Equality Act of North Rhine-Westphalia (Landesgleichstellungsgesetz - LGG). Applications by suitable individuals with a certified severe disability and those of equal status are particularly welcome.

Qualified applicants are requested to apply via the appointment portal of the University of Bonn: [https://berufungsportal.uni-bonn.de/openProcedureList.do](https://berufungsportal.uni-bonn.de/openProcedureList.do).
Applications can be submitted in German or English by **October 11, 2023** to the

**Dean of the Faculty of Medicine**
**of Rheinische Friedrich-Wilhelms-Universität Bonn**
**Venusberg-Campus 1, Haus 33, 53127 Bonn, Germany**
