At the Faculty of Medicine of Rheinische Friedrich-Wilhelms-Universität Bonn, a

**W2-Professorship for Cardiac Electrophysiology**

is to be filled as soon as possible at the Heart Center of the University Hospital Bonn.

We are looking for a recognized individual in the field of clinical and scientific electrophysiology. Expertise in both basic science and clinical electrophysiology research as well as extensive experience in interventional-ablative and device-based treatment of cardiac arrhythmias is required. The position is located at the Heart Center the University Hospital Bonn in the Medical Clinic and Polyclinic II - Cardiology, Pneumology, Angiology, Internal Intensive Care Medicine - and is associated with a senior physician ("Oberarzt") position.

The successful applicant should strengthen and further develop existing profile areas, focal points and research networks of the Faculty of Medicine. Excellent scientific performance and significant experience in attracting competitive external funding are expected.

Requirements for employment are a completed university degree in medicine or natural sciences and completed specialist training in internal medicine and cardiology, as well as habilitation or proof of equivalent scientific achievements and experience in teaching in accordance with § 36 of the Higher Education Act of North Rhine-Westphalia.

The University of Bonn is committed to diversity and equal opportunity. It is a certified family-friendly university and has a dual career service. It aims to increase the proportion of women in areas where women are under-represented and to promote their careers in particular. The University supports recruitment through the STEP program and therefore encourages women with appropriate qualifications to apply. Applications will be handled in accordance with the State Equality Act of North Rhine-Westphalia (Landesgleichstellungsgesetz - LGG). Applications by suitable individuals with a certified severe disability and those of equal status are particularly welcome.

Qualified applicants are requested to apply via the appointment portal of the University of Bonn (https://berufungsportal.uni-bonn.de/openProcedureList.do). Applications can be submitted in German or English by October 2, 2023 to the

Dean of the Faculty of Medicine  
of Rheinische Friedrich-Wilhelms-Universität Bonn  
Venusberg-Campus 1, Haus 33, 53127 Bonn, Germany
