At the Medical Faculty of Rheinische Friedrich-Wilhelms-Universität Bonn, a

**W2 Professorship in Musculoskeletal Immunology**

is to be filled at the earliest possible date.

The professorship with service duties in research and teaching is located at the Clinic and Polyclinic for Orthopedics and Trauma Surgery (Director: Prof. Dr. med. D.C. Wirtz) and is a permanent position. In-depth expertise in basic clinic-based research on experimental orthopedics and trauma surgery with a focus on musculoskeletal immunology is expected. The prerequisite is a scientific focus on immunological issues of pathological processes in the peri-implant tissue, which in this context open up new perspectives for immunodiagnostics/therapy, bone homeostasis and tissue regeneration.

The call is aimed at natural scientists and physicians with outstanding scientific achievements and corresponding third-party funding. Experience with cross-disciplinary collaboration, managing a research laboratory, and biobanking would be desirable. Close cooperation with the Cluster of Excellence ImmunoSensation² as well as other research associations and partners of the Medical Faculty such as the German Center for Infection Research (DZIF) and the German Center for Neurodegenerative Diseases (DZNE) is expected.

Prerequisites for employment are a completed university degree, habilitation or equivalent scientific achievements according to § 36 Higher Education Act NRW as well as experience in academic teaching.

The University of Bonn is committed to diversity and equal opportunity. It is a certified family-friendly university and has a dual career service. It aims to increase the proportion of women in areas where women are under-represented and to promote their careers in particular. It therefore urges women with relevant qualifications to apply. Applications will be handled in accordance with the State Equality Act of North Rhine-Westphalia (Landesgleichstellungsgesetz - LGG). Applications by suitable individuals with a certified severe disability and those of equal status are particularly welcome.

Qualified applicants are requested to send the application documents in accordance with our application guidelines as well as a maximum of five offprints (https://www.medfak.uni-bonn.de/de/fakultaet/karrierewege/akademische-karriere/berufung) in German or English by July 31, 2022 exclusively by e-mail to:
