At the Faculty of Medicine of Rheinische Friedrich-Wilhelms-Universität Bonn (University of Excellence), a

**W3 professorship for "Dermatology" (successor Prof. Thomas Bieber)**

is to be filled on a permanent basis.

The candidate is expected to represent dermatology in research, teaching, and patient care. The position includes the directorate of the clinical Department of Dermatology, covering the full spectrum of the specialty. Within the department there are sections for dermatooncology (Prof. Jennifer Landsberg) and allergology (Prof. Natalija Novak). These structures are to be synergistically supplemented and strengthened.

The candidate should have excellent scientific as well as clinical credentials in the field of dermatology. Excellent scientific achievements and successful acquisition of third-party funding, as well as proven didactic skills, are required. The scientific orientation should have links to the focal points of the faculty, ideally to existing alliances of the Faculty of Medicine and the university as a whole.

The professorship will be responsible for dermatology teaching in the curriculum of the medical program. Participation in current and future programs at the Faculty of Medicine is furthermore expected. Prerequisite for employment is the qualification as a specialist physician ("Facharzt") as well as habilitation or an equivalent scientific achievement according to Section 36 Higher Education Act NRW.

The University of Bonn is committed to diversity and equal opportunities. It is a certified family-friendly university and has a dual career service. It aims to increase the proportion of women in areas where women are under-represented and to promote their careers in particular. It therefore urges women with relevant qualifications to apply. Applications will be handled in accordance with the State Equality Act of North Rhine-Westphalia (Landesgleichstellungsgesetz - LGG). Applications by suitable individuals with a certified severe disability and those of equal status are particularly welcome.

Qualified applicants are requested to send the application documents in accordance with our application guidelines as well as a maximum of five offprints (https://www.medfak.uni-bonn.de/de/fakultaet/akademische-verfahren/berufungsverfahren) in German or English by April 15, 2022 exclusively by e-mail to:
