At the Faculty of Medicine of Rheinische Friedrich-Wilhelms-Universität Bonn, a

**W3 professorship for midwifery science**

is to be filled as soon as possible on a **permanent** basis.

The professorship is associated with the directorship of the Institute of Midwifery Science at the Center for Obstetrics and Gynecology. The candidate is responsible for the further development of the existing academic program in midwifery studies within the faculty and in close interaction with the Department of Obstetrics and Prenatal Medicine.

A focus on the further development and education of clinical midwifery is expected, as is the establishment of a scientific profile of the Institute at an internationally visible level and in line with the scientific priorities of the Faculty of Medicine.

Requirements for employment are a degree in health or midwifery sciences or a comparable subject as well as habilitation or proof of equivalent scientific achievements. Experience in teaching in accordance with Section 36 of the North Rhine-Westphalia Higher Education Act and many years of professional experience in obstetrics are also required.

The University of Bonn is committed to diversity and equal opportunity. It is a certified family-friendly university and has a dual career service. It aims to increase the proportion of women in areas where women are under-represented and to promote their careers in particular. It therefore urges women with relevant qualifications to apply. Applications will be handled in accordance with the State Equality Act of North Rhine-Westphalia (Landesgleichstellungsgesetz - LGG). Applications by suitable individuals with a certified severe disability and those of equal status are particularly welcome.

Qualified applicants are requested to apply via the appointment portal of the University of Bonn([https://berufungsportal.uni-bonn.de/openProcedureList.do](https://berufungsportal.uni-bonn.de/openProcedureList.do)). Applications can be submitted in German or English up to 05.12.2022.
