

**General Terms of Use for the University of Bonn Parking Areas  
(as of March 15, 2018)**

**§ 1  
General provisions**

- (1) The Terms of Use outlined below regulate usage of parking facilities of the University of Bonn (spaces, lots, etc.) for paid parking located within the Bonn city limits.
- (2) Any civil service staff council agreements between the University of Bonn and its staff representation body governing the usage of parking facilities remain unaffected by these Terms of Use.
- (3) The University of Bonn provides parking facilities for usage on a private-law basis.
- (4) Use of the parking areas is subject to a fee and is only permitted with a valid parking permit. Permanent parking permits (§ 2), daily parking permits (§ 3) and parking machine tickets (§ 4) are considered parking permits. Parking permits are valid for the period indicated on the permit and for the parking area assigned by Infrastructure and Facility Services (Section 4.1).
- (5) Parking area users must observe the provisions of the Road Traffic Regulation (*Straßenverkehrsordnung*) and Road Traffic Licensing Regulation (*Straßenverkehrszulassungsordnung*) as currently amended. In particular, users are required to exercise consideration vis-a-vis other users, parking their vehicle in such fashion as to avoid blocking or posing a hazard to other users.
- (6) Motor vehicles may only be parked in the parking areas that have been provided for this purpose and bear signage to this effect. Clear, unambiguous signage will be used to designate parking areas. The following, in particular, are prohibited:
  1. Parking vehicles on a long-term basis;
  2. Parking vehicles on green spaces, walkways, bike paths, in drive aisles, entries and exits, emergency access roads or parking zones, in or in front of building and garage entrances, blocking emergency exits or in places where parking a vehicle could impede vehicle or pedestrian traffic;
  3. Parking vehicles that are in need of repair, unfit for road use or lack valid registration;
  4. Parking vehicles with a permissible total weight of more than 3.5 t, trailers and similar means of transport; this does not include University of Bonn vehicles.

**§ 2****Permanent parking permit**

- (1) Permanent parking permits are issued by Section 4.1 upon application.
- (2) The following are eligible to apply for a permanent parking pass:
  1. University professors who count as University of Bonn staff pursuant to the Higher Education Act
  2. Adjunct faculty/lecturers teaching less than four course hours.
  3. Enrolled students and registered/enrolled doctoral students of the University of Bonn
  4. Employees of external, independent institutes affiliated with the University and of the cooperating organizations named in the course catalog
  5. Individuals who regularly perform work for and on behalf of the University of Bonn on a long-term basis, such as staff of University Hospital Bonn and Studierendenwerk Bonn or staff of external service providers and contractors under time-period framework agreements

Other individuals may be eligible to apply on the basis of a civil service staff council agreement between the University of Bonn and its staff representation body.

- (3) Proper applications are approved given available parking capacity; applicants receive a permanent parking permit for their specific vehicle and a specific parking area. There is no legal entitlement to allocation of a parking space. Institutes which have parking available in the immediate vicinity of the institute building (postal address) can apply to Section 4.1 to have a maximum of two parking spaces allocated to the institute for assignment to individual staff members.
- (4) Permanent parking permits may only be used for the vehicle or registered motorcycle whose license plate number is registered with Section 4.1. Allowing others to use parking permits for unregistered vehicles is prohibited. Section 4.1 must be notified without delay of any unexpected, temporary change of vehicle.
- (5) Parking users in possession of an ID card for the severely disabled of classes aG, G, Gl or Bl, or who are eligible for an official blue or orange parking ID can apply for a specially designated parking space near their place of work.
- (6) Car pools will receive a parking permit upon request and must name one person in the car pool to be responsible as the contact person and for paying the parking fees. The members of the car pool are responsible for sharing the parking permit among them.

- (7) University institutes can apply for special permits (visitor permits) that they can provide to their visitors. Fees are payable and billed for these passes the same way as regular permanent parking permits.
- (8) The maximum parking pass validity period of a permanent parking permit for students, external service providers and external contractors under time-period framework agreements pursuant to § 2, para. 2, no. 5 is one year, and for all other personnel three years from the date of issue. Section 4.1 will issue a new parking permit for the next validity period in timely fashion before the permit expires.
- (9) Section 4.1 must be notified immediately of any changes in circumstances requiring updating of the data from the parking permit application so that a new parking permit can be issued.
- (10) Section 4.1 must be notified immediately if a parking permit is lost.
- (11) Parking permits can be canceled by giving Section 4.1 14 days' notice in writing effective at the end of a calendar month. Parking permits must be returned to Section 4.1 promptly after the end of the cancellation notice period.
- (12) Parking passes expire when the entitling circumstances per para. 2 no longer apply. Section 4.1 must be notified without delay in writing if eligibility is lost. Para. 11, sentence 2 applies accordingly.
- (13) Users will be notified of any parking fee changes at least four weeks in advance of the effective date of the changes. In such case, users are entitled to terminate the parking pass subscription with immediate effect. Para. 11, sentence 2 applies accordingly.
- (14) The right to cancellation for cause remains unaffected. The University of Bonn shall in particular have cause in case of late payment exceeding one month and repeated breach of these Terms of Use, including in particular repeated blocking of other users' vehicles through improper parking.

### **§ 3**

#### **Daily parking permit**

- (1) Individuals entitled to apply for a permanent parking pass and guests of University organizational units and at University events can purchase daily parking passes. These passes may be purchased in advance for use as needed. § 2, para. 3 applies accordingly.
- (2) A permit is only valid if the date of use has been completely and correctly filled in.

## **§ 4**

### **Parking machine ticket**

In addition to a valid permanent or daily parking permit, the parking areas in the locations indicated in **Annex 1** can also be used by the general public with a ticket from the parking ticket machines installed there. The terms of use displayed on the parking ticket machines also apply.

## **§ 5**

### **Parking fees; fee exemptions**

- (1) The monthly fee for permanent parking permits is €18.00. The fee is paid by direct debit. The full fee is payable for every month commenced. Parking permit fees paid are non-refundable, in full or in part.
- (2) Daily parking permits are available from Section 4.1 for a fee of €1.20 (cash payment).
- (3) Parking machine tickets are available at the terms and conditions indicated at the parking ticket machine concerned.
- (4) Individuals in possession of an ID card for the severely disabled of classes aG, G, GI or BI, or a blue or orange parking ID shall be exempt from the obligation to pay fees.
- (5) Section 4.1 will decide on cases of hardship where applicable.

## **§ 6**

### **Displaying the parking permit in the vehicle**

Parking permits must be displayed behind the windshield of vehicles parked in designated parking areas so as to be well-visible and clearly readable from the outside. Motorcycles requiring registration are registered in the database and their license plate numbers are used to determine parking eligibility.

## **§ 7**

### **Entry-controlled parking areas**

- (1) Parking areas to which entry is restricted by means of a barrier, i.e. underground or above-ground parking garages with boom gates at the entrance, may only be accessed by individuals who hold a corresponding key, code card or transponder (access keys). Access keys are issued exclusively to permanent parking permit holders if capacity allows, subject to the criteria in **Annex 2**.

- (2) Access keys must be returned promptly to Section 4.1 if and when the holder is no longer eligible for parking. A fee of €40.00 is payable for a lost or damaged access key unless the user can demonstrate that the University incurred lower or no expense as a result.
- (3) § 2, para. 10 and 12 apply accordingly.

## **§ 8**

### **Violation of the terms of use; contractual penalty**

- (1) For parking a vehicle in breach of these Terms of Use the registered owner is subject to a contractual penalty of €20.00.
- (2) The University of Bonn reserves the right to have vehicles parked in breach of these Terms of Use towed without warning at the registered owner's expense.

## **§ 9**

### **Liability**

Except for breaches of primary contractual obligations, the University of Bonn and its vicarious agents shall only be liable for damage to parked vehicles in cases of willful intent or gross negligence. This applies as well to any damage occurring to a vehicle in connection with towing.

## **§ 10**

### **Data protection**

Section 4.1 of the University of Bonn processes personal data for parking area users in accordance with the EU General Data Protection Regulation and Data Protection Act of North Rhine-Westphalia (Datenschutzgesetz Nordrhein-Westfalen, DSG NRW) to the extent required to perform its duties in connection with parking area management and user relationship management. See Annex 3 attached for further information regarding the gathering and processing of data.

## **§ 11**

### **Miscellaneous provisions**

- (1) Section 4.1 shall act as a contact for all matters relating to parking area management and all other parking matters.

- (2) These Terms of Use are subject to change. The Terms will soon be released in an official announcement of the University of Bonn, pursuant to a resolution adopted by the Rectorate.

Bonn, September 10, 2018

### **2. Collection and storage of personal data and type and purpose of use**

The University of Bonn collects personal data for parking administration purposes.

Data processing is performed in accordance with Art. 6, para. 1, sentence 1, lit. b of the General Data Protection Regulation (GDPR).

The personal data collected from you will be deleted or blocked as soon as the purpose for which it was stored no longer applies. Storage can extend beyond this point if European or national legislatures have made provision for this in EU regulations, laws or other provisions to which the controller is subject. The data will also be blocked or deleted if a storage period stipulated in the above-mentioned legal norms expires, unless further storage of the data is required for conclusion or performance of a contract.

### **3. Disclosure of data to third parties**

Your personal data will not be transferred to third parties for purposes other than those listed below. Your personal data will be disclosed to third parties if required under Art. 6, para. 1, sentence 1, lit. b GDPR to execute legal relationships with you. This includes in particular data transfer to the PARKEON company for EC card payment at parking ticket machines. The third parties may only use the data disclosed to them for the purposes indicated.

#### 4. Data subject rights

You have the following rights:

- If you have given consent, the right to withdraw your consent, in accordance with Art. 7, para. 3 GDPR, to the above-mentioned controller at any time. This will result in the data processing that was based on this consent no longer being permitted.
- The right to demand, in accordance with Art. 15 GDPR, information about your personal data that has been processed by the above-mentioned controller. In particular, you can demand information on the following:
  - The purpose of the processing
  - The categories of personal data
  - The categories of recipients to whom the personal data have been or will be disclosed
  - The planned storage period, or, if not possible, the criteria used to determine the storage period
  - The existence of the right to rectification, erasure, restriction of processing, or to object
  - The existence of the right to lodge a complaint
  - If the data was not collected by the above-mentioned controller, the source of your data
  - The existence of automated decision-making, including profiling, and meaningful detailed information in this regard
- With respect to your personal data stored by the above-mentioned controller, the right to demand, in accordance with Art. 16 GDPR, rectification of inaccurate personal data or the completion of incomplete personal data without delay
- The right to demand, in accordance with Art. 17 GDPR, erasure of your personal data stored by the above-mentioned controller. This does not apply in the following cases:
  - For processing required for exercising the right of freedom of expression and information
  - For compliance with a legal obligation to which the controller is subject
  - For reasons of public interest
  - For the establishment, exercise or defense of legal claims, or
  - For archiving purposes in the public interest, scientific or historical research purposes or statistical purposes in accordance with Art. 89, para. 1 GDPR, in so far as further storage of the data is required because erasure of the data is likely to render impossible or seriously impair the achievement of the objectives of this processing
- The right to demand, in accordance with Art. 18 GDPR, under the conditions specified therein, restriction of the processing of your personal data
- The right to demand, in accordance with Art. 20 GDPR, under the conditions specified therein, receipt of the personal data you have provided us in a structured, commonly used and machine-readable format, or to demand transmission of that data to another controller, and
- Without prejudice to any other administrative or judicial remedy, the right to lodge a complaint with a supervisory authority in accordance with Art. 77 GDPR. The competent

supervisory authority is: Landesbeauftragte für Datenschutz und Informationsfreiheit  
Nordrhein-Westfalen, Postfach 20 04 44, 40102 Düsseldorf, Germany.

## **5. Duty to cooperate**

The above-mentioned legal provisions and regulations do not require you to provide your data.  
If you do not provide your data or make it available to the above-mentioned controller:

- Applications for permanent parking permits cannot be processed (despite eligibility)
- Applications for parking fee exemptions for staff cannot be processed
- EC card payment at parking ticket machines is not possible

## **6. Right to object**

If your personal data is processed based on legitimate interests in accordance with Art. 6, para. 1, sentence 1, lit. e GDPR, you have the right, under Art. 21 GDPR, to object, on grounds relating to your particular situation, to processing of your personal data.

To exercise your right to object, send an email to the above-mentioned controller.
