

## General Technical Terms for Construction Contracts (VOB/C)

Note: DIN is the abbreviation for German standards institute *Deutsches Institut für Normen*. Standards designated DIN are issued by the Institute.

The VOB/C lists the standards that have to be complied with in executing construction projects, as applicable based on the content of the awarded contract. The standards are:

DIN 18299 General rules applying to all types of construction work

DIN 18300 Earthworks

DIN 18301 Drilling work

DIN 18302 Borehole sinking operations

DIN 18303 Timbering to trenchwork

DIN 18304 Piling

DIN 18305 Groundwater lowering

DIN 18306 Underground drainage

DIN 18307 Laying of pressure pipework outside buildings

DIN 18308 Land drainage and infiltration management works

DIN 18309 Ground treatment by grouting

DIN 18310 Waterway, dike and coastal dune securing work

DIN 18311 Dredging work

DIN 18312 Underground construction work

DIN 18313 Diaphragm walling

DIN 18314 Sprayed concrete work

DIN 18315 Road construction – Surfacing without binder

DIN 18316 Road construction – Surfacing with hydraulic binders

DIN 18317 Road construction - Asphalt surfacings

DIN 18318 Road construction – Sett and slab pavements and surrounds

DIN 18319 Trenchless pipelaying

DIN 18320 Landscape works

DIN 18321 Jet grouting work

DIN 18322 Underground cable laying work

The English version of the terms of contract is only for your information. The German version is legally binding.

DIN 18325 Track work

DIN 18330 Masonry work

DIN 18331 Concrete work

DIN 18332 Natural stone work

DIN 18333 Cast stone work

DIN 18334 Carpentry and timber construction work

DIN 18335 Steel construction work

DIN 18336 Waterproofing

DIN 18338 Roofing work

DIN 18339 Sheet metal roofing and wall covering work

DIN 18340 Dry lining and partitioning work

DIN 18345 Thermal insulation composite systems

DIN 18349 Repair work on concrete structures

DIN 18350 Plastering and rendering

DIN 18351 Work on back-ventilated curtain walling

DIN 18352 Wall and floor tiling work

DIN 18353 Laying of floor screed

DIN 18354 Mastic asphalt work

DIN 18355 Joinery

DIN 18356 Laying of parquet flooring

DIN 18357 Mounting of door and window hardware

DIN 18358 Rolling shutter work

DIN 18360 Metal construction work

DIN 18361 Glazing work

DIN 18363 Painting and coating work – coatings

DIN 18364 Corrosion protection of steel structures

DIN 18365 Flooring work

DIN 18366 Application of decorative coverings on walls and ceilings

The English version of the terms of contract is only for your information. The German version is legally binding.

DIN 18367 Laying of wood block flooring

DIN 18379 Installation of air conditioning systems

DIN 18380 Installation of central heating and water heating systems

DIN 18381 Installation of natural gas, water and sewer pipework inside buildings

DIN 18382 Low and medium-voltage systems with nominal voltage up to 36 kV

DIN 18384 Installation of lightning protection, surge protection and earthing systems

DIN 18385 Installation of lifts, escalators, passenger conveyors and materials handling equipment

DIN 18386 Building automation and control systems

DIN 18421 Insulation of service installations

DIN 18451 Scaffolding works

DIN 18459 Demolition and dismantling work
