Application for funds for sustainability measures

Bonn, _____
Applicant* _____
*Institute/seminar/division/student group, etc.

Contact: Name: _____

Phone: _____

Email: _____

Project name: _____

Amount of funds applying for: _____

I. Cost estimate:

Please provide details on the amount of funds you are applying for. Create a cost estimate in table format, listing individual items (e.g. for purchases, construction measures, printing, etc.) to clearly outline the amount of funds you are applying for.

Please note:

You can apply for a maximum of €25,000. Where measures lead to improvements in the work of the applying work area, **applications dedicating own funds** in addition will increase their chances of success in the application process.

Activities in teaching and research will not receive funds.

II. Brief project description (max. 3,000 characters):

Please provide information on your project idea.

Please concisely summarize your project idea, keeping in mind the following questions:

- Who came up with the idea? (Short presentation of applicant/applying group)
- What is the main idea of your project? What are the goals of the project?
 - o (Effectively) reducing the use of resources (energy, water, material, etc.)
 - o Lowering the amount of sewage, contaminated air and waste...
 - o Protecting the environment
 - o Providing information
 - o etc.
- To what extent does the project qualify as a pilot initiative?
- Who will benefit from the improvements?
- Why is the project relevant for the area XY/the University of Bonn?
What is the specific benefit?
