

Ideas competition - mobility

All details and conditions of participation

Take part in our ideas competition regarding sustainable mobility at the University of Bonn and help drive the transformation toward becoming a more sustainable institution.

We are looking for creative suggestions for measures to reduce traffic, improve infrastructure and anything else you can think of to optimize mobility at the University of Bonn.

All students enrolled at the University of Bonn are eligible to participate. Send an email (subject line: Ideenwettbewerb – Mobilität) to nachhaltige-ideen@uni-bonn.de, presenting us your idea.

We will evaluate submissions based on how innovative, easy to implement and sustainable they are, and to which extent students' and employees' needs are taken into account.

Submission deadline is October 31, 2023.

Taking part is worth it as the best ideas have a chance of winning prizes from our Uni Shop (e.g. organic hooded sweatshirts, organic T-shirts, sustainable University of Bonn bottles).

Data Protection: Your personal data will only be used for this ideas competition. By submitting your idea(s), you authorize the University of Bonn to use them.

We look forward to hearing all about what you have come up with!

Legal matters: By submitting your idea(s) you are also expressing your consent to the use, processing and storage of your personal data in accordance with privacy and data protection regulations, solely for the purpose of the ideas competition. This applies to the verification of your student status, which the University set as precondition to participate in the ideas competition. Section 4.7 Land Development, Belderberg 6, 53111 Bonn (phone: +49 228 73-6738, email: arenz@verwaltung.uni-bonn.de) serves as the controller at the University of Bonn.

Dr. Jörg Hartmann, Genscherallee 3, 53113 Bonn, (joerg.hartmann@uni-bonn.de) is the University's Data Protection Officer.

Further details on privacy and data protection is available at datenschutz.uni-bonn.de.
