The Institute of Nutritional and Food Sciences at the Agricultural Faculty of the Rheinische Friedrich-Wilhelms-University of Bonn invites applications for a permanent position

**W2 Professorship „Human Nutrition“**

starting as soon as possible.

We are looking to recruit a candidate with outstanding expertise in a topical, future-oriented field of nutrition research. Key aspects shall be human intervention studies and/or state-of-the-art analytical methods of physiological samples.

In addition, the successful candidate is expected to engage in collaborations with research groups at the Agricultural Faculty and the University, as well as with national and international research institutions with respect to existing and prospective research networks.

Teaching is required in the BSc course Ernährungs- und Lebensmittelwissenschaften and in the MSc course Humanernährung.

The conditions of employment are according to §36 Hochschulgesetz NRW.

The University of Bonn is committed to diversity and equal opportunity. It is certified as a family-friendly university and has a dual career service. It aims to increase the proportion of women in areas where women are underrepresented and to particularly facilitate their careers. Therefore, the University of Bonn strongly encourages applications from qualified women. Applications will be handled in accordance with the State Equality Act (“Landesgleichstellungsgesetz”). Applications from qualified individuals with a certified severe disability and from those of equal status are particularly welcome.

Applications in German or English language including a cover letter, curriculum vitae, certificates, list of publications, teaching experience, extramural funding, and research statement should be sent electronically as a single pdf to the Dean of the Agricultural Faculty, Rheinische Friedrich-Wilhelms-Universität Bonn, Meckenheimer Allee 174, 53115 Bonn, E-Mail: dekan@lwf.uni-bonn.de no later than January 15th 2019.
