The Institute of Nutritional and Food Sciences at the Agricultural Faculty of Rheinische Friedrich-Wilhelms-University of Bonn invites applications for

**W3 Professorship of Food Sciences (permanent position)**

starting as soon as possible.

We are looking to recruit a candidate with outstanding expertise in a topical, future-oriented field of food research, such as
- advanced instrumental food analysis,
- food biotechnology,
- structure-activity relationships of food constituents,
- technologically and/or nutritionally relevant food constituents.

The successful candidate will engage in the delivery of teaching in the BSc-, MSc- and state exam programs. In addition, the candidate is expected to collaborate with research groups at the Agricultural Faculty and national and international food research institutes with respect to existing and prospective joint research projects.

The conditions of employment are according to §36 Hochschulgesetz NRW.

The University of Bonn is committed to diversity and equal opportunity. It is certified as a family-friendly university and has a dual career service. It aims to increase the proportion of women in areas where women are underrepresented and to particularly facilitate their careers. Therefore, the University of Bonn strongly encourages applications from qualified women. Applications will be handled in accordance with the State Equality Act ("Landesgleichstellungsgesetz"). Applications from qualified individuals with a certified severe disability and from those of equal status are particularly welcome.

Applications in German or English language including a cover letter, curriculum vitae, certificates, list of publications, teaching experience, extramural funding, and research statement should be sent electronically as a single pdf to the Dean of the Agricultural Faculty, Rheinische Friedrich-Wilhelms-Universität Bonn, Meckenheimer Allee 174, 53115 Bonn, E-Mail: dekan@lwf.uni-bonn.de no later than January 15th 2019.
