The Faculty of Medicine at the Rheinische Friedrich Wilhelms University of Bonn (Institute of Experimental Immunology, Director Prof. C. Kurts) invites applications for a

Professorship in Molecular Medicine (W2, Tenure Track, limited to 5 years)

The professorship is embedded in the DFG Cluster of Excellence Immuno-Sensation that together with several other Collaborative Research Centers forms an excellent scientific environment with an internationally recognized focus on immunology.

The professorship is intended to strengthen the Cluster of Excellence, the SFBTR57, the GRK2168 and further planned research consortia in Immunology and Hepatology.

We are looking for a candidate with outstanding scientific achievements, a track record in third-party funding, and teaching expertise in experimental immunology. The candidate is expected to participate in the established research foci of the Faculty of Medicine and in existing or planned collaborative research centers.

The conditions of employment are according to § 36 Hochschulgesetz NRW.

The University of Bonn is committed to diversity and equal opportunity. It is certified as a family-friendly university and has a dual career program. It aims to increase the proportion of women in areas where women are under-represented and to promote their careers in particular. It therefore urges women with relevant qualifications to apply. Applications will be handled in accordance with the Landesgleichstellungsgesetz (State Equality Act). Applications from suitable individuals with a certified serious disability and those of equal status are particularly welcome.

Qualified candidates should submit documents of application including cover letter, curriculum vitae, certificates, list of publications as well as a completed application form both in German and English by September 6th, 2018 to the Dean of the Medical Faculty of the Rheinische Friedrich Wilhelms University of Bonn, Prof. Dr. med. Nicolas Wernert, Sigmund-Freud-Straße 25, 53127 Bonn.
