

The **Mathematical Institute** of the **Faculty of Mathematics and Natural Sciences** at the **University of Bonn** invites applications for a

W2- Professorship (tenured) in Pure Mathematics

to be filled as soon as possible.

Successful candidates are expected to be internationally renowned in an area of pure mathematics complementing and strengthening the areas represented by the existing research groups.

The successful candidate will be offered a membership at the Hausdorff Center for Mathematics.

He/she is expected to actively participate in the acquisition of further third party research funding.

The usual teaching requirements are an integral part of the professorial position.

Prior knowledge of the German language is not required.

The general conditions of employment are according to § 36 of the Higher Education Act of North Rhine-Westphalia (Hochschulgesetz des Landes Nordrhein-Westfalen).

The University of Bonn is committed to diversity and equal opportunity. It is certified as a family-friendly University and has a dual career service. It aims to increase the proportion of women in areas where women are under-represented and to promote their careers in particular. It therefore urges women with relevant qualifications to apply. Applications will be handled in accordance with the Landesgleichstellungsgesetz (State Equality Act). Applications from suitable individuals with a certified serious disability and those of equal status are particularly welcome.

Applications including CV, copies of diploma, list of publications, research and teaching statement should be submitted **no later than July 31st, 2019**. The committee may also accept, at its discretion, applications beyond this date.

Applications should be sent preferably via email to the Chairman of the Department of Mathematics: **Prof. Dr. Martin Rumpf, Mathematik Zentrum, University Bonn, Endenicher Allee 60, 53115 Bonn, Germany, fgmathe@math.uni-bonn.de**
