The Medical Faculty of the Rheinische Friedrich-Wilhelms-University of Bonn, Medizinische Klinik III (Director: Prof. Peter Brossart), offers a permanent position of a

**W2 professorship for Tumorimmunology**

Applicants (male/female) should have a nationally and internationally recognized research profile in tumorimmunology with the proven capacity to establish and maintain an international competitive research program. The development of translational research concepts that shall bridge basic research in tumorimmunology with clinical research represents a main topic of the position.

The integration of the W2 professorship into the overall concept of the Center for Integrated Oncology (CIO) and the Cluster of Excellence “ImmunoSensation” should strengthen the interface between Hematology/Oncology and immunology at the University of Bonn. Experience in cell therapies is desired.

The W2 professorship must fully represent the area of tumorimmunology in the Department of Hematology and Oncology (Medizinische Klinik III) with regard to research and teaching. In addition, the application can be combined with an attending position in the Department of Hematology and Oncology based on the clinical qualifications.

This position is filled in accordance with § 36 North Rhine-Westphalian Law on Universities, and requires the German grade of Habilitation or comparable academic achievements.

The University of Bonn is committed to diversity and equal opportunity. It is certified as a family-friendly university and has a dual career service. It aims to increase the proportion of women in areas where women are underrepresented and to promote their careers in particular. It therefore strongly encourages women with relevant qualifications to apply. Applications will be handled in accordance with the Landesgleichstellungsgesetz (State Equality Act). Applications from suitable individuals with a certified serious disability and those of equal status are particularly welcome.

Qualified candidates should submit documents of application including cover letter, curriculum vitae, certificates, list of publications as well as a completed application form both in German and English by May 10, 2019 to the Dean of the Medical Faculty of the Rheinische Friedrich-Wilhelms-Universität Bonn, Prof. Dr. Nicolas Wernert, Sigmund-Freud-Str. 25, D-53127 Bonn, Germany.

Please send your application to: dekan@ukbonn.de
