The Medical Faculty of the Rheinische Friedrich-Wilhelms-University of Bonn invites applications for
the position

**W1 Professor for Cellular Virology (m/f/d)**
**(Tenure-Track with a W2 option after 6 years)**

at the Institute of Cardiovascular Immunology of the University Hospital Bonn.

The professorship shall contribute significantly to the elucidation of the molecular mechanisms discriminating
viral and host RNA. Therefore, it is expected that the candidate provides a profound knowledge in the areas of
immunology, virology and RNA biology. This requires extensive theoretical and practical expertise in infection
biology, the study of RNA modifications and structures, microRNAs as well as RNases. A broad range of method-
ological experience and the aim to develop innovative techniques is essential.

The Institute of Cardiovascular Immunology is part of the Excellence Cluster “ImmunoSensation2”, the
CRC/Transregio 237 “Nucleic Acid Immunity”, as well as other Collaborative Research Centers. The active par-
ticipation in the lively immunological community in Bonn, and interdisciplinary collaborative research initiatives is
expected.

Besides scientific tasks, the professorship is obliged for teaching activities. These include lectures, supervision
of undergraduate (m/f/d) and graduate students (m/f/d), practical courses and seminars.

With the establishment and appointment of the professorship we aspire to strengthen research and teaching in
the main research areas of the faculty (www.medfak.uni-bonn.de/forschung/forschungsschwerpunkte).

Prerequisites of a hiring are a PhD in Life Sciences, Biology, Medicine or in a similar field, proof of scientific
achievements as well as experience in teaching according to § 36 Hochschulgesetz NRW. Fluency in English is
required, German knowledge is appreciated.

The University of Bonn is committed to diversity and equal opportunity. The University of Bonn is certified as a
family-friendly university and has a dual career program. It aims to increase the proportion of women in areas
where women are under-represented and to promote their careers in particular. It therefore urges women with
relevant qualifications to apply. Applications will be handled in accordance with the State Equality Act
(Landesgleichstellungsgesetz). Applications from suitable individuals with a certified serious disability and those
of equal status are particularly welcome.

Qualified applicants (m/f/d) are requested to send the usual documents (cover letter, CV, certificates, list of pub-
llications) in English, as well as the respective application form (www.uniklinik-bonn.de/dekanat/bewerberbogen)
via e-mail up to **February 17th 2020**:

Dean of the Medical Faculty
of the Rheinische Friedrich-Wilhelms University of Bonn,
Univ.-Prof. Dr. Bernd Weber
Venusberg-Campus 1, Haus 33, 53127 Bonn

Please apply via e-mail to: Berufungen@ukbonn.de
