The Bonn Institutes of ImmunoSciences and Infection (Cluster of Excellence ImmunoSensation) of the Medical Faculty of the Rheinische Friedrich-Wilhelms-University of Bonn (University of Excellence) invite applications for the tenure track position

**W1 Junior Professor Immunobiochemistry**

*(tenure track, upgrade option to W2 after 3 years)*

The professorship is located at the Institute of Clinical Chemistry and Clinical Pharmacology (Prof. Dr. med. Gunther Hartmann, Speaker SFB TRR 237 Nucleic Acid Immunity, Speaker Cluster of Excellence ImmunoSensation). We seek a young successful scientist with a track record in biochemistry and structural biology of nucleic acids at the interface to nucleic acid immunity, or neighboring areas of the innate immune system.

This position is expected to strengthen the collaborative research grant TRR 237 on Nucleic Acid Immunity and the research focus area ImmunoSciences and Infection at the Medical Faculty. The outstanding research environment allows for excellent research collaborations with the other research focus areas of the Medical Faculty (Neurosciences, Cardiovascular, Genetics, Oncology) and with the Helmholtz centers DZNE (German Center for Neurodegenerative Diseases) and the DZIF (German Center for Infection Research), as well as the CIO (Center for Integrated Oncology) ABCD. Participation in existing and future collaborative research centers is expected and supported.

The position will be involved in teaching activities of the Medical Faculty.

The conditions of employment are according to § 36 Hochschulgesetz NRW.

The University of Bonn is committed to diversity and equal opportunity. The University of Bonn is certified as a family-friendly university and has a dual career program. It aims to increase the proportion of women in areas where women are under-represented and to promote their careers in particular. It therefore urges women with relevant qualifications to apply. Applications will be handled in accordance with the State Equality Act (Landesgleichstellungsgesetz). Applications from suitable individuals with a certified serious disability and those of equal status are particularly welcome.

Qualified applicants are requested to send the usual documents (cover letter, CV, certificates, list of publications) in English, as well as the respective application form (www.uniklinik-bonn.de/dekanat/bewerberbogen) via e-mail up to 14.09.2020 after publication to:

**Dean of the Medical Faculty**
**of the Rheinische Friedrich-Wilhelms University of Bonn,**
**Prof. Dr. med. Bernd Weber**
**Venusberg-Campus 1, Haus 33, 53127 Bonn**

Please apply via e-mail to: Berufungen@ukbonn.de

The application form and further information on the application process can be found at: (https://www.medfak.uni-bonn.de/de/fakultaet/akademische-verfahren/berufungsverfahren)
