

August 31, September 24 - 25 & November 24, 2020	Agile and Traditional Project Management for Researchers (On Site or Online)
Institution	Human Resource Development
Course language	English
Target group	Postdocs and Research Managers
Goals/contents	<p>Comprehensive training package. The participants of this workshop acquire expertise, tools and practical skills for the successful management of agile and traditional project management. They will get to know for which projects long-term planning and for which projects incremental planning is more likely to succeed.</p> <p>In order to facilitate the transfer of the principles and methods into everyday work, the participants will work on their own real projects.</p> <p>The focus will be on the specifics of project management in universities and research contexts. Project management outside of research will also be addressed.</p>
Nr. of participants	Max. 12
Date/Time	<p>Online Learning Session: Monday (August 31, 2020), 11.00 – 12.00 a.m. (incl. learning tasks until the start of the classroom training)</p> <p>Classroom training: Thursday-Friday (September 24-25, 2020), 9.00 a.m. – 5.00 p.m.</p> <p>Follow-up workshop: Tuesday (November 24, 2020), 9.00 a.m. to 5.00 p.m.</p> <p>Due to the ongoing Corona situation, this workshop will be conducted entirely online, if necessary.</p>
