April 16/17 2018 | Career planning – What are my further career movements?
--- | ---
**Institution** | Human Resources Development & Career A offer from Human Resources Development
**Course language** | English
**Target Group** | Postdoctoral candidates
**Goals/contents** | What are my unique abilities and interests critical in determining the right career path for me? Can I combine my ideas about a fulfilled life with a university career? How can I develop a strategy for embarking on an academic career path or other career choices?
This seminar helps to answer these – and other - questions for those who want to plan their career development strategically. It focuses on supporting young scientists and researchers. It offers them possibilities to reflect upon future university careers or alternative career choices. Based on their individual profiles, participants develop their own vision for their future personal and professional lives.

Contents in brief
- Creating your profile of skills and qualifications, highlighting your strengths and accomplishments
- Choosing your own criteria and values for work and life
- Developing a vision for your own professional and private life
- Review and evaluation of personal development goals
- Detect your professional network
- Outlook: Application procedures and job interview in Germany
