iStart Career Program for International Students

Winter Term 2026/27

Our Levels

iStart Classic:

- Is an entry-level granting access to essential services and events for enrolled international students of the University of Bonn.
- It provides the core tools to get started with career planning and entry.
- All iStart eCampus members are automatically iStart Classic.

iStart Intensive:

- Is a semester-long level with enhanced services and events.
- It is awarded through a post-registration selection process to maximum 50 students per semester.

iStart Leader:

- Is a semester-long level offering premium services, events and volunteering experience in event management.
- Access to iStart Leader is possible only after upgrading from iStart Intensive.
- Up to 10 iStart Intensive level holders per semester may be self-selected for the upgrade through a voluntary process.
