### SHAPE YOUR IDEA & NETWORK: TRA1-INSSA EVENT GRANTS

Focus: Events on topics that fit into the goals of TRA 1 Modelling

INSSA **event grants** cover, for example, the cost for a workshop/networking event, e.g.

- kick-off meetings: brainstorm about the focus and the right third-party program
- open workshops/panels: find collaboration partners for your third-party application
- workshops/retreats: foster the preparation of your third-party grant application

### GET YOUR PROJECT STARTED: TRA1-INSSA PROJECT GRANTS

Focus: (Collaborative) research projects that fit into TRA 1 Modelling

INSSA **project grants** are start-up funds that cover, for example, the cost for

- personnel (WMA/HiWis) to assist in preparing your third-party grant application
- research needs such as material / software to prepare your third-party application

### GOOD TO KNOW: ELIGIBILITY, FUNDING PERIOD, PROCESS

Members can apply at any time; spending is limited to 2022\*

To be eligible for funding, you must be member of TRA 1 Modelling. Applications are possible at any time but depend on availability of funds. Spending periods are limited to 2022\*. The TRA 1 Steering Committee will decide on acceptance, decisions depend on project content and availability of funds.

### HOW TO APPLY

Send application form & project description to [tra1@uni-bonn.de](mailto:tra1@uni-bonn.de)

Fill the TRA1-INSSA application form and add a project description. Beside the project content, the description should address TRA 1 goals, fit into the TRA 1 focus and interdisciplinarity. It also needs to include planned outcomes, a time schedule and a financial plan. The overall extent depends on the requested volume.
