Application Manual: Mobility-Online

Dear students,

This step-by-step guide will show you how to apply for the University of Bonn’s exchange programs with our online system Mobility-Online. You should already have received an email with a personalized link to Mobility-Online which leads you to the registration page. This guide will lead you through the registration and application process.

In case you have any questions about the registration process, please read this manual first. Keep in mind that due to the high volume of applications, the International Office will not be able to answer all individual questions concerning online applications.

Step 1: Completing your registration and choosing a login and password

– Attention: The registration number is already defined by the system and cannot be changed. You do not have to enter a number in this field.

– Enter your date of birth and click on Continue. You get to the next step, where you define your login and password.
  
  o The password has to fulfill the following requirements: at least 6 characters, at least one digit number, at least one upper case letter and no special characters.

– When clicking on Continue, you have successfully created your Mobility-Online account.
You can now continue with filling out your application on Mobility-Online. You will receive a confirmation email with your login information.

If you do not receive a confirmation email, please check your spam folder.
