

Notes on Your Personal Report

A personal report is one of the required documents that you will need to submit in order to obtain funding as part of the University of Bonn's Erasmus traineeship program.

Please provide detailed answers to the questions on the form. You are welcome to add extra information. The International Office would be delighted if you were also to upload one to three photos relating to your stay abroad (image size between 500 kB and 2.5 MB per photo). To give us permission to use the photos for our website, printed materials and social media, we would be grateful if you could sign the University of Bonn document entitled ["Declaration of Consent for Film and Photo Shooting"](#) and upload this as well.

Please also indicate if you consent to us editing your personal report and publishing it on the University of Bonn website. In addition, we would ask you to tell us if you are happy for your contact details to be passed on to other students at the University of Bonn. This would be most welcome as it will allow future trainees to benefit from your experiences and tips.

Please complete the questionnaire in your University of Bonn Mobility-Online account. You will find the button right at the bottom of your task list.

Thank you very much for helping future Erasmus trainees!
