New Visiting Researcher Card

Dear ladies and gentlemen,

I would like to make you aware of the new Visiting Researcher Card for International guest researchers at the University of Bonn.

Which functions does the new Visiting Researcher Card have?

- Credential of entitlement to use the University and State Library
- Credential of entitlement to use the canteens and cafeterias of the Studierendenwerk Bonn
- Credential of entitlement to join activities offered by Hochschulsport
- Indication of most important emergency numbers
- Strengthening of identification with the University of Bonn

Who is considered an International visiting researcher?

- Postdocs and experienced researchers with foreign citizenship, who do research and who teach at the University of Bonn without employment contract, and for a limited period of time (a.o. scholarship holders of Alexander von Humboldt Foundation, Fulbright Commission, DAAD or JSPS)

How do International visiting researchers receive their card?

- The Welcome Center for International Researchers will send the Visiting Researcher Card as well as a welcome folder to the hosts at the University of Bonn in due time before the beginning of the research stay.
The Visiting Researcher Card can be picked up by International researchers personally at the Welcome Center.

Please do inform the Welcome Center for International Researchers early about the arrival of new visiting researchers and indicate the new card to your International visitors.

The registration of new visiting researchers is done via the following webpage:
