psychotherapie@uni-bonn.de  
www.psychologie.uni-bonn.de/ambulanz

Psychosocial Counseling  
Everyone may experience difficult situations at times. Students sometimes find themselves confronted with mental health issues, which can be a heavy burden. In this case, it is helpful to be informed about relevant counseling services providing a safe space and confidentiality. Entering university life and pursuing a degree can be accompanied by challenges that can feel overwhelming. If you find yourself in a troubling situation do not hesitate to talk to a professional counselor.

Please note that many student and counseling services are often only offered in **German**. If your level of German language proficiency is insufficient, please make sure to take someone with you who is able to translate.

SERVICES AT THE UNIVERSITY OF BONN

Psychological counseling of the Central Study Advisory and Counseling Service (ZSB) **EN**
The psychological counseling of the Central Study Advisory and Counseling Service provides independent counseling for all students enrolled at the University of Bonn. In private sessions, our counselors offer neutral advice concerning study related difficulties that affect your learning abilities, motivation and quality of life.

Central Study Advisory and Counseling Service (ZSB)  
Poppelsdorfer Allee 49 | 53115 Bonn
Laura Neufeldt, MSc in Psychology
Phone: +49 228-73-70-80 (Telephone for appointment)
