Info Sheet: Deregistration from the City

Before leaving Bonn, you have to deregister from the City at the local administration office “Bürgeramt”. Therefore, please fill in the online form following this link:

http://www.bonn.de/rat_verwaltung_buergerdienste/buergerdienste_online/formulare/index.html?lang=de&ukid=141

Unfortunately, this form is only available in German, but you can use google translate on the top of the page to switch the language. The translation is not very good, though. That is why we use screenshots from the German version and provide explanations in English.

The first page is the declaration of consent about data protection. Your data will be treated carefully. You have to agree that in case of chargeable services your data is processed to an ePayment-Provider. However, the deregistration is free of charge, thus you can accept.
