Info Sheet: City Registration

The City Registration takes place in the local administration office (“Bürgeramt”) of the City Hall (“Stadthaus”) during your first two weeks in Bonn.

- Please bring the registration form and your ID or passport. IMPORTANT: You need to bring a completely filled in confirmation of your landlord, a “Wohnungsgeberbestätigung”. You can find the registration form in your Welcome Folder or here.
- Opening Hours of the Bürgeramt: Tue, Wed, Fri: 8 am. - 1 pm., Mon + Tue: 8 am. - 6 pm.
- An appointment must be made beforehand. You can either make one online (see the manual below) or personally at the city hall. Online appointments can be accessed from 07:45 am onwards; sometimes free spots for the following days are uploaded in the afternoon. There can be long queues, which is why we advise you to make an online appointment.
- If you don’t get an appointment at the “Stadthaus” in time, you can also try to make an online appointment at the city halls Bad Godesberg, Beuel or Hardtberg (addresses below). You can only go there with an online appointment, though!
- If you live outside of the city of Bonn, you need to register with the responsible local city hall.
